

Bawdsey

Parish Code: E04009369

Area Summary

Bawdsey is a village and parish on the Suffolk coast, north of Felixstowe across the River Deben in Suffolk Coastal.

The Parish is made up of a number of areas. The village itself sits on the B1083 along from its neighbour Alderton. Bawdsey is well catered for with a primary school, substantial playing fields and a village hall. Its proximity to Alderton means it isn't far away from other community assets such as a post office or pub.

Heading north up the coast is Shingle Street which is a separate settlement that retains some of its own identity. The coast further south has a rich heritage with Martello Towers and the country's first radar station.

In the west of the parish is Bawdsey Quay which sits across the River Deben from Felixstowe. Here you'll find a ferry, water sports facilities and a café. Adjacent to this is Bawdsey Manor which is now the location of an international school.
