Area Summary

Burstall is a village and civil parish in Babergh that sits around 4 miles west of Ipswich and 6 miles east of Hadleigh. The village stretches along a single road that runs from the south-east to the north-western edge of the parish.

There are a number of community assets in the Burstall that serve the local community. The parish church of St Mary is in the centre of the village and still hosts regular services.

The village hall was constructed in 1910 but has the appearance of an older building due to its 'Mock Tudor' style. The hall and adjoining meadow host an annual summer show and fete which has been running since the 1950s.

The parish holds a few small business and farms which includes a fisheries and an arts and crafts initiative.
