

# Cookley & Walpole

Parish Code: E04009390 & E04009473

## Area Summary

Cookley and Walpole (occasionally referred to as Cookpole) are two villages that sit to the south of Halesworth in Suffolk Coastal. Walpole is the most populous and active of the two parishes.

Cookley is a sparsely populated area that only retains a few pockets of residential properties and the parish church. The former 'Cookley and Walpole Primary School' falls within its borders, which has more recently been called the 'Walpole Learning Centre'.

Walpole is a busy village that has a good number of community assets. The local playing fields holds a play park and a pavilion that is used as a village hall. The Old Chapel on the outskirts of the village has been maintained and hosts a number of events throughout the year.

The area has lost a few local facilities, with the local primary school being the most recent loss.
