

Upcoming webinar: Early years and foundation

bit.ly/565Webinars

St Elizabeth Hospice will be delivering a free online webinar for Early years education professionals to give guidance on how to support the emotional wellbeing of young children affected by the coronavirus pandemic.

Topics covered will include:

- How emotional wellbeing in families has been affected during the pandemic
- How to help vulnerable families during and after lockdown
- Understanding how loss affects children under five years old
- Exploring ways to support children and families
- How to support each other

10
September
10am

The webinar is on **Thursday 10 September** at 10 - 11 am.
