

Kentford

Parish Code: E04009151

Area Summary

Kentford is a village and civil parish in Forest Heath that sits on the A14 between Bury St Edmunds and Newmarket on the Suffolk/Cambridgeshire border.

The western edge of the village runs directly into its neighbour Kennett, and is only a short distance from Moulton.

The parish retains its church of St Mary in the centre of the village, but the village hall is no longer in use (with access to an alternative facility in both Kennett and Moulton).

Local residents benefit from access to a post office, local pub and petrol station. Given the proximity of Kennett there is also easy access to another pub, a vets and a train station.

There are a large number of small and medium size businesses across a number of different industrial sites throughout Kentford.
