

# Ramsholt

Parish Code: E04009447

## Area Summary

Ramsholt is a civil parish that sits on the River Deben in Suffolk Coastal. The area is largely made up of scattered areas of residential properties.

The main draw to the area is the local pub that is adjacent to the quay area. To the north of this is the parish church that is still in use and is open to visitors throughout the year.

The proximity to its neighbours of Shottisham, Alderton and Bawdsey means that other local amenities are not too far away.
