

Upcoming webinar: Secondary education

bit.ly/565Webinars

St Elizabeth Hospice will be delivering a free online webinar for Secondary school education professionals to give guidance on how to support the emotional wellbeing of young children affected by the coronavirus pandemic.

Topics covered will include:

- Understanding how adolescents and young adults have been affected during the pandemic
- How to support emotional wellbeing of adolescents and young adults affected by the pandemic
- How to support young people in their return to school or college
- How loss and bereavement is affected by the pandemic
- How to support each other

11
September
2pm

The webinar is on **Friday 11 September** at 2 - 3 pm.
