

# St Margaret, Ilketshall

Parish Code: E04009518

## Area Summary

St Margaret, Ilketshall is one of the parishes in the 'saints' area of Waveney, south of Bungay.

Like its neighbours, St Margaret is sparsely populated and contains little in the way of 'in-house' community assets.

The village has a village hall which plays host to a number of events throughout the year. The area also retains a parish church that shares its name.

The bulk of the housing can be found either on the High Street, or Low Street to the North.
