

Wenhaston with Mells Hamlet

Parish Code: E04009475

Area Summary

Wenhaston is a mid-sized village that sits south of Halesworth in Suffolk Coastal and partly in the Suffolk Coast & Heaths Area of Outstanding Natural Beauty (AONB). The main village is adjoined to the smaller settlement of Blackheath in the south and the smaller hamlet of Mells in the north, which is predominantly made up of housing and farm land.

With a population approaching a thousand Wenhaston has many of the facilities it needs to be 'self-sustaining'. There is a well equipped village hall that hosts a good number of events and groups, which sits across from the local primary school. Behind the school is an extensive sports and recreation area that homes a number of local clubs.

As well as a good range of built assets there are several services that are based in community buildings. For example, both a post office service and a branch GP surgery run from the village hall.
